FAQ

ULTRASUPPORT™ COLLAGEN COMPLEX IS NOW RENEW COLLAGEN COMPLEX!

With the popularity of the Lishé™ by Zilis™ skincare line, we're making it easier for our customers to support their skin from the inside-out and the outside-in by making Collagen Complex, our powerful skin-supporting health supplement, part of the Lishé™ by Zilis product line. Renew Collagen Complex is not part of the Lishé™ five-step regimen but is an ideal add-on for customers seeking rejuvenated, youthful-looking skin.†

WHAT IS DIFFERENT?

The carton and label have been redesigned to fit within the Lishé™ by Zilis skincare line that launched earlier this year.

IS ULTRASUPPORT™ COLLAGEN COMPLEX STILL AVAILABLE?

Once existing UltraSupport™ Collagen Complex inventory has been sold, all orders of Collagen Complex will receive the Lishé™ Renew Collagen Complex-branded product.

HOW SHOULD WE EXPLAIN THE CHANGE TO OUR CUSTOMERS?

If your customers previously used UltraSupport™ Collagen Complex, you should make sure they know that they will still get the same great benefits from our digestive-resistant, vegetarian-friendly capsules, in a newly-designed package!

HOW SHOULD WE PROMOTE THIS PRODUCT AS PART OF THE LISHE™ LINE?

Renew Collagen Complex is the perfect complement to the Lishé™ by Zilis skincare line, offering support for beautiful skin, hair, and nails from the inside out.† Renew Collagen Complex includes our proprietary blend of collagen type 1, hyaluronic acid, biotin, and aloe vera to promote age-defying skin benefits and the overall appearance of skin.† It uses vegetarian-friendly collagen extract from eggshell membrane, a natural source of collagen, elastin, and hyaluronic acid.
