## THE RIGHT INGREDIENTS

The Lishe™ by Zilis™ skincare line of products includes a proprietary blend of clinically studied and supported ingredients to complement and enhance our revolutionary Precision Spectrum™ Hemp Oil, combining three skin-benefiting cannabinoids: CBD, CBG, and CBC.

Our proprietary blend is formulated to increase the levels of naturally produced hyaluronic acid and collagen, and to elevate the health of your skin. The blend includes Squalane, which mimics your skin's natural oils to protect it, Soybean fiber to promote increased skin elasticity and hydration, and Mexican Blue Agave Extract to support moisture retention for smoother skin.

The Lishe™ by Zilis™ line of skincare products includes *Refresh* Foaming Cleanser, *Restore* Face and Neck Serum, *Rejuvenate* Eye Cream, *Recover* Moisturizer, *Revive* Lip Balm, and *Renew* Collagen Complex.
